CLASSES REGISTERED:

*If applicable, please reference teacher recommendation forms from the prior year when enrolling.

A Ballet & Contemporary or Jazz training combo is **required** for all students in Youth Level I or higher.

Core classes (Ballet & Contemporary or Jazz) may not be swapped out for non-core classes.

Supplemental level-appropriate classes may be added from there (tap, musical theater, acro, hip hop, competition teams, etc...). Dancers seeking fastest progress need to dance more than once per week. Some classes focus primarily on skills, technique, and conditioning, and not recital choreography.

Please indicate all classes you're registering for, and note which courses include recital performances:

DANCER CLASS LEVELS: PLACEMENT GUIDELINES

Students are placed based on age, experience, technical proficiency, and ability to follow directions. Our knowledgeable staff can help your dancer find the best fit. Placement guidelines *generally* follow the below ages and levels, and **students will spend an average of two-three years in each level**. Unlimited monthly classes and/or participation in competition teams is highly recommended for dancers seeking to achieve their personal best.

Parent & Me: Ages 2-3 - Students develop motor skills while adventuring through dance exercises with a parent.

Creative Movement: Ages 3-4 - Students develop motor skills, tap into creativity, and dance through various exercises while learning how to navigate the dance classroom with others.

“Pre” Levels: Ages 5-6 - Students enter a disciplined but fun class that introduces technique, structure, and play. Students are welcome to register for any amount of classes they like.

Acro: A fun, tumbling and acrobatics class to build strength and train tricks that help dancers reach peak performance. Three levels available - Beginner, Intermediate, Advanced. Int/Adv require approval.

Level 1: Ages 7-8 - Students spend more time in classes and begin expanding and applying ballet and jazz terminology. Significant time is spent on technical explanations. Two classes required.

Level 2: Ages 9-10 - Students broaden their understanding of ballet with more complex exercises. Significant time is spent on technical explanations and corrections. We encourage this level to train in acro and hip hop or stretch & strength along with their two technique classes.

Level 3: Ages 11-12 DOE: Students at this level grasp the foundation of various dance styles and are ready to dedicate themselves to consistent, focused training. Significant time is spent on technical explanations and corrections. We encourage this level to build on skills by attending stretch & strength and hip hop along with their two technique classes.

Saturday Morn Ballet: Open level ballet for dancers ages 12+ seeking more technique. This is an important class for those looking to hone and strengthen skills and deepen understanding through practice and explanation.

Level 4: Ages 13+ DOE : By the time students reach this level, dance is their passion and priority. They will have several years of experience in at least ballet and contemporary and a desire to work hard and often. Recommended classes for this level to truly reap the rewards of their training potential include Ballet, Pointe (with instructor approval), Contemporary/Modern, Stretch & Strength, Musical Theatre/Jazz, and Hip Hop.

Level 5: Ages 15+ or DOE: By the time students reach this level, dance is their passion and priority. They will have many years of experience in at least ballet and contemporary and demonstrate motivation for continued technical improvement.

Level 6: Ages 16+ or DOE: Students in this most advanced level understand and demonstrate strong technical proficiency in all styles. Students take dance seriously and prioritize regular training and involvement in studio programs.

Pointe: Offered in Intro/Pre-pointe level for beginners and those seeking further strengthening, and Int/Adv w/recital.

Competition teams: Studio Pulse offers four competition teams - **Minis** (ages 7-9), **Junior Company** (ages 9-12), **Teen Company** (ages 12-14), and **Senior Company** (ages 15-18). Comp team dancers are selected through auditions/invitations only. Highly motivated competition dancers demonstrate an exceptional passion for dance, an unwavering commitment to training, deep desire for improvement, and a fierce dedication to their team. Students attend 2-3 in-state conventions/competitions. Teams may travel. Email coach mckenna.j.e.young@gmail.com with questions.

Street Style Comp teams: We've introduced Competition Hip Hop Teams! The street division is led by longtime Anchorage dance educators and coaches Cherish DeBord and Toby Carrillo. Teams are available for ages 9-adult. By audition or prior approval only. Email the coaches at creativechaosak@gmail.com with questions or for more information.

COURSE DESCRIPTORS

Parent & Me: An excellent introduction to the world of dance! Class is structured to stimulate coordination skills, listening skills, balance, music interpretation, creativity, and motor skills development. Parents are in the room to make the transition into the dance studio fun for everyone!

Creative Movement: Dancers learn all about music, movement concepts, coordination, spatial relations, and self-expression in this progressive class. Classroom focus is on appropriate etiquette, fun through movement, and self-confidence.

Pre-Ballet: Designed for dancers ages 5+ who are ready for more structure. Class begins in center with stretches and strengthening exercises and introduces basic ballet terms and steps. Dancers will continue learning ballet etiquette as well as how to count music, travel across the floor, and learn choreography.

Pre-Jazz: A perfect pairing with pre-ballet! Students begin exploring the stylized elements of jazz technique, play high energy games to jazz rhythms, and learn choreography.

Ballet: A highly technical form of dance focusing on grace, agility, articulation, and musicality. Studio Pulse students experience a blend of Vaganova, Cecchetti, and Balanchine methods, learn proper alignment, expand their abilities at barre, in centre, and across the floor, and learn french terminology. Ballet is the foundation for success in most every other style of dance.

Pointe/Pre-Pointe: Students must train in ballet at least twice weekly and demonstrate technical proficiency and strength in ankles, feet, legs, and core for pointe shoe approval.

Contemporary/Modern: All program students training at Studio Pulse will experience today's dominant performance genre. Students are introduced to elements of modern dance, postmodern release technique, partnering outside of the classical sense, improvisation skills, and will learn to reconfigure ballet technique as it applies to today's unique contemporary dance language.

Jazz/Musical Theatre: Theatrical jazz explores a wide of range of both angular and slinky movements to syncopated rhythms and popular music. Classes will provide a deeper understanding of body alignment, shifting of the weight, and confidence with traveling movement phrases. Students will experience Fosse influences and Broadway flair.

Acro: This acrobatics/tumbling course focuses on fundamental acrobatic technique to increase flexibility, strength, balance, coordination, endurance, timing, body awareness, self-discipline, and confidence. Skills learned will directly influence contemporary dance abilities.

Hip Hop: This fun course introduces hip hop fundamentals to great music. Class focuses on building the foundation to execute popular dance and break dancing moves to original choreography and includes isolations, hard-hitting exercises, and energetic routines to build stamina and increase musicality.

Flexibility for Dancers - This conditioning class focuses on using strength and body awareness to improve overall flexibility and control. Its focus is to build the strength required to support important flexibility and will help dancers refine their lines and technique. For those looking to take their dancing to the next level!

Competition teams: Competition teams are *supplemental* to our ongoing youth programs and introduce students to the exciting world of commercial dance. Participation in dance conventions and on competition teams is a valuable way for dancers to expand their movement vocabulary, push themselves to bring their very best for their team, gain more performance opportunities, build life-long friendships, and learn how to perform under pressure. Participation is by audition or invitation only, and students are required to continue their technical training in at least ballet **and** contemporary/modern while on teams as they represent Studio Pulse in state-wide competitions and conventions.

IMPORTANT POLICIES & withdrawal process - please read!

REGISTRATION: A student's spot in class is not reserved until their first month's tuition and registration fee have been paid. Monthly tuition accounts for longer months and holiday closures and is prorated for simplicity; this means that tuition payments remain the same monthly, regardless of closures or extra classes.

TUITION PAYMENTS: Tuition is due the first of the month via auto pay. Avoid processing fees by paying with check or cash! Our small business appreciates checks to avoid credit card fees. For your convenience, auto pay is available with a \$3 processing fee, and will be processed the first day of every month through May.

PRODUCTION FEES: Production fees cover dancers' costume(s), shipping, and additional recital costs. Recital tickets aid in performance venue rental, additional rehearsals and staffing, and *much* more. **Production fees are due no later than November 18th for every performing class and are non-refundable.** Fees are accepted any time before the due date. *We can't guarantee late paid costumes will still be available or arrive in time for recital.*

LATE & INSUFFICIENT FUNDS FEES: A late fee of \$25 is applied automatically to past due accounts and past due production fees. **A \$25 late/administrative fee is applied to bounced checks and declined auto pays. Students with past due accounts will be unable to participate until accounts and late fees are settled.**

CLOSURES: Studio Pulse follows ASD holiday and weather closures only. Classes still run on most in-service days. In case of emergency/weather closures, we will send an email and post on the Studio Pulse Center for Dance Facebook page.

ATTENDANCE: The studio opens 20 minutes prior to the first class of the day, and dancers must be dressed and ready by class start time. Regular attendance is important, and being present for class warm up is required for dancer safety. When a dancer misses classes or is perpetually tardy, both the dancer and the class fall behind.

WITHDRAWAL: To officially withdraw a student from class(es) and to end continued tuition charges, email StudioPulseAK@gmail.com with notice of withdrawal two weeks prior to the

first of the month. Any students withdrawing and returning later in the year will incur a \$25 administrative fee. *Studio Pulse is unable to hold a spot for students who leave for extended periods of time (vacations, sports) but who do not continue paying tuition.*

MAKE-UP CLASSES: Make-up classes are provided as a courtesy, but we can not provide tuition adjustments for missed classes. Tuition reserves your child's spot in class.

COMMUNICATION: Important information will be emailed throughout the year. General information is also posted on our website, the Studio Pulse Center for Dance Facebook page, and @PulseDanceAK Instagram. Please email StudioPulseAK@gmail.com with questions - we can't guarantee a timely response on social media.

STUDENT PICK UP: If your dancer is under the age of 10, please arrive at studio doors for pickup. Children may NOT exit alone or run into the parking lot unattended.

STUDIO RULES & ETIQUETTE:

- Seats for class viewing are limited. To keep hallways clear and for ongoing health precautions, we are unable to accommodate multiple family members per dancer in our waiting areas. Student drop off is encouraged where possible. Please - no running, jumping, or yelling in the facility Thank you for your help!
- Remove shoes when entering the facility so that floors remain clean and dry for students.
- **NO food or beverages** other than water permitted in the lounge areas.
- Dressing rooms are furnished with cubbies and coat hooks so that students can neatly store their belongings out of main traffic areas. Please tuck bags away from traffic areas.
- We value our off-screen time and meaningful human interactions. We ask that dancers' cell phones be silenced and put away while in our facility, and smart watches set to "do not disturb" or airplane mode. We want to encourage interaction and real relationships!
